SUMMARY

Full Stack .NET Developer skilled in ASP.NET, ADO.NET, .NET Core MVC, C# and web technologies. Experienced in developing scalable, secure, and user-friendly web applications. Passionate about backend development, database management, and delivering high-performance solutions.

TECHNICAL SKILLS

Asp.Net MVC | Asp.Net Web API | C# | Ado.Net | Asp.Net Core|REST APIs|Entity Framework|JWT | HTML | CSS| Angular|MS SQL|Visual Studio | GitHub |Swagger

PROFESSIONAL SKILLS

Adaptability   Continuous Learning

Knowledge Sharing   Team Collaboration

EDUCATION

BACHELOR'S DEGREE | Bachelor of Computer Application	2021 -2024
Rajarshi Shahu College Latur	
HSC (12th)	2019-2021
Shree Mahadhavrao Bhosle College	
SSC (10th)	2018-2019
Shree Mahadhavrao Bhosle College	

PROJECTS

QuickCart - E-Commerce Web Application   May 2024 -Jun 2024

HTML|Bootstarp|CSS |C#|Asp.Net Mvc|Entity Framework|SQL Server

- Developed a fully functional e-commerce web application with features like user authentication, product listing, category management, shopping cart, and order management.
- Implemented role-based access for admin and customers, allowing admins to manage products and categories while customers can browse and purchase items.
- Integrated shopping cart functionality enabling users to add, update, and remove products seamlessly
- Applied Entity Framework (Code First) with SQL Server for database management and CRUD operations.
- Designed responsive UI with Bootstrap to ensure smooth user experience across devices.

ACCESSORY MANAGEMENT SERVICE   Mar 2024 – Apr 2024

ASP.NET WEB API

- Developed a RESTful Web API to manage office accessories and resources assigned to employees.
- Implemented CRUD operations for tracking accessories, employee allocations, and inventory status.
- Integrated role-based authentication and authorization for secure access.
- Designed the system with Entity Framework Core using a code-first approach and SQL Server as the database.
- maintainability, and proper API documentation with Swagger.
